The following is an examiner's statement of reasons for allowance:

The prior art of record fails to show or suggest an adjustable hanging device, as specifically called for in the claimed combination of claim 1, whereby an adjustable member formed with a hanging hole is "slidable in said hanging hole" (see line 10) of the hanging portion "so as to adjust the position of said hanging hole relative to the center of gravity of the total mass" (see last 4 lines of claim 1) of the device and object(s) mounted thereon.
